

Schools

Thank you for making your reservation with Konow's Corn Maze. Konow's has made many improvements to not only make your event more enjoyable, but to protect our families and yours for this Season. Please read the following, sign and submit with your reservation form. We ask that you please review this with your parents/chaperones.

Animals

Upon signing below, you agree to take full responsibility for all students/guests in which you bring in to the farm. All guests are to refrain from chasing any uncaged animals, (ie.. cats, chickens), please keep all guests from climbing pens in which animals are in, and keep all body parts out of pens. We ask that the children to not feed any animal that has a DO NOT FEED sign. We have pregnant protective pigs, and ask that any adult animal with small animal not be fed, pet or chased.

Play Areas

Upon signing, you are taking full responsibility for any and all injuries that may take place while visiting the farm.

No flips, kicks, shoes, footballs, or aggressive play is allowed on jumpy pillow or straw playground.

Picnic tables are for sitting areas only. We ask that you do not allow children to climb on or under the tables.

Pumpkins

When making a reservation with Konow's you will receive one we-be-little pumpkin. Size is comparable to the palm of a child. If we are out of we-be-little pumpkins Konow's will upgrade your entire class to a pie pumpkin. Small pumpkin are available for \$2 upgrades (Normally \$5).

Chaperones and teachers do not get a free pumpkin of any kind. In years past, we have had teachers and chaperones take pumpkins leaving schools to come empty handed.

NOTE: Our larger pumpkins do have sharp stems... We ask for all guests to hold pumpkins with two hands and from the bottom. Also, many stems break when holding the pumpkin by the stem. We ask that all guests be respectful of our pumpkins and/or merchandise.

Pricing

Students/ \$8

Teachers/ Free admission

Chaperones/ \$5

Students 2 and under Free admission but cost of pumpkin

Sluice is available for an additional \$2 (small bag)

Pie pumpkin upgrade \$2

Special needs classes, please call for pricing

Food

Konow's holds no responsibility of school lunches, and/or allergies.

Bee Stings

On the farm, we do have insects. Bee's tend to harbor garbage cans, the concession area and in pop cans. We do have a first aid kit, however do not hold an epee pen for allergic reactions.

Lost children

We ask upon entry, you place an "If Lost Card" with each child. Children wonder when in large groups and have been left behind. Even when children are on bus, please do a second head count as children have snuck off the buses in years past.

Special needs

Please contact office as each special needs group has specific requests and needs.

School buses

We ask that all school buses pull forward and to the very end. Do not stop at front entry and block drive. If you have older students, (ages 8 and older) we ask that you park in parking lot and have students walk to entry. This is for the students safety. If there is a back up on the main road, we ask that school busses pull in parking lot and chaperones walk children to front entry.

Times

For schools, Konow's opens at 9:00am. We ask that drop off times are staggered for the safety of the children.

Occupancy

Konows will try and spread out the times, dates and classrooms when scheduling your visit. We are unable to control the number of guests in the park to assure your class is able to enjoy every aspect of the corn maze. We do not offer tours and special arrangements.
